Dear Mr. Moss:

Enclosed is a copy of the article ("Three Volumes of books donated in memory of Eleanor P. Jones") about the books that Donald and I donated to the Mountain View High School library that was published in the Carbondale News of Wednesday, October 28, 1987, p. 21. In all probability, you already have a copy of the article, but in the event you do not, I have enclosed this copy for your files.

As I mentioned to you on the phone, I am presently "holding down" (as they say) a position for a French teacher who will be out for several weeks. As soon as I am back in circulation, I will let you know..

Sincerely yours,

S. Robert Powell
